At MD Pipe & Supply we are committed to following the guidelines provided by our State Government during the pandemic of COVID-19. We are following the below procedures to protect our employees and customers, and will do our best to accommodate your requests. We are ensuring that all of our team members are properly educated on COVID-19 and we are imposing guidelines for anyone that may have come in contact with the virus. It is our hope that everyone stays safe and healthy during this time. If you have any questions, please call our branch directly.

Sincerely, Neal King, President

- We recommend you call or e-mail orders ahead of time, and we will have them ready for you. Please call the branch closest to your location. We will do our best to have your order ready same day or next day (only if product is available in stock).
- Counter sales will continue as normal, with limited interaction.
- If you have placed an order with us and you prefer to have your materials left outside of our branch, we can do that for you. We will have your order labeled, and place a copy of your invoice with the order.
- We will continue to make truck deliveries with your order. However, there will be limited interaction between driver and customer.
- All deliveries of in bound freight will be with limited interaction. Our employees will instruct the driver on where to place the product.
- All Manufacture Reps and Vendors please call our branch for an appointment, we will not accept walk-ins.
